

Dear Citizen:

Enclosed you will find the necessary application, along with the applicable fee schedule for the burglar and fire alarms.

The City of Harrisburg has the capability to install a Digital Line System. This type of security is with your normal telephone line presently used in your home or business. It transmits the alarm signal to the Public Safety Communications Center. Both burglar and fire alarm signals can be transmitted over one regular telephone line which could be the line presently in your home or business.

We strongly recommend that your alarm be connected to the City's Monitoring Facility located at the Public Safety Center.

The annual charge to be connected to the City's system is \$85.00 for each burglar and fire alarm, which will be billed in January of each year. If you connect to the system after February 1, the annual charge will be pro-rated for the remaining months.

The following fee schedule will prevail for false alarms and/or malfunctions for **Burglar alarms** on a yearly basis:

<u>False Alarms</u>		<u>Malfunctioning Alarms</u>	
1st alarm	no charge	1st malfunction	no charge
2nd alarm	\$10.00	2nd malfunction	\$ 5.00
3rd alarm	\$25.00	3rd malfunction	\$10.00
4th & more	\$35.00	4th & more	\$15.00

The following fee schedule will prevail for false alarms and/or malfunctions for **Fire alarms** on a yearly basis:

1 to 2 False Alarms	No Charge
3 to 4 False Alarms	\$ 50.00 <u>per alarm</u>
5 to 7 False Alarms	\$100.00 <u>per alarm</u>
8 to 10 False Alarms	\$250.00 <u>per alarm</u>

False alarms and/or malfunctioning alarms will be billed on a monthly basis. **The City of Harrisburg reserves the right to terminate service for failure to pay the applicable fees. Furthermore, the City of Harrisburg will prosecute those who fail to comply with the law with reference to maintaining your system to avoid equipment malfunctions or an excessive amount of false alarms.**

If you have any further questions, please feel to contact this office by calling (717) 255-6513.
